## RELEVANT EXPERIENCE

*Easy Agent Pro* | Remote

May 2022 to September 2024

### Frontend Web Developer

(2yrs, 4 months)

- Updated 20+ homepage templates with tools to boost client sales and leads, incorporating compliance features to meet National Association of Realtors regulations.
- Designed and developed five modern homepage templates to enhance UI/UX, including a custom landing page for a client, and contributions to the latest company website update: <https://www.easyagentpro.com>.
- Developed template webpages for Real Estate and Insurance clients through collaboration with stakeholders across sales, marketing, development, and executive teams, while presenting progress during weekly team updates.
- Designed and built "squeeze" pages to funnel leads to client's web pages, achieving a 20% increase in conversion and 30% increase in webpage traffic.
- Resolved bugs and fixed faulty code across applications through detailed troubleshooting and collaboration with senior developers, managers, support, and sales teams, ensuring a consistent user experience.
- Maintained a large codebase to implement features for seamless user interaction, emphasizing responsive design and best practices.

*The Simons Firm, LLP* | Santa Fe, NM

October 2005 to March 2021

### Litigation Paralegal

(15yrs, 5 months)

- Supported 80+ active cases with roughly half in active litigation, by drafting pleadings for attorneys to review, compiling documents for hearings and trials, and communicating with Judges or opposing counsel. Collaborated in weekly case list meetings to prioritize tasks and ensure timely completion of case milestones.
- Prepared for special hearings, jury selections, and trials by creating checklists, agendas, and detailed case materials, including deposition transcripts, exhibit notebooks, and electronic exhibits for courtroom presentations. Delegated work to paralegals, secretaries, and attorneys to streamline trial preparation.
- Promoted through roles of increasing scope and responsibility throughout tenure, from Runner/File Clerk to Receptionist, Legal Assistant, Paralegal, and Senior Litigation Paralegal, while managing and mentoring team members to support case management and client needs.
